Dr Carson, Your Team Did It Again, I Am So Happy I Shared This Thank You With The Georgia Board Of Regents

Dr Carson thanks goes out to YOU and your awesome and amazing team. Our son Caleb Isom completed his freshman year of college at South Georgia State College (SGSC) Entry Level Program on Valdosta State University (VSU) Blazers Campus Fall Semester 2015. See my SGSC & VSU journey results at <http://johntheucanman.com/copy-of-the-u-can--man-ebc-team-.html> Please share with your team this thank you.

1. Webster, Valerie Director of Entry Programs
2. Johnson, Lea Enrollment Services Advisor

3. Maul, Glen Associate Professor of Psychology
4. Petrella, Jeremy Instructor of History
5. Talbott, Michael Instructor of English
6. Ward, Charles Instructor of Mathematics

1: Caleb had a solid educational foundation from Lowndes County High School Vikings Class of 2014, Graduating with Honors.

2: Caleb has a solid college foundation from South Georgia State College Entry Level Program earning a 4.0 (10-As) his freshman year Spring 2015 - Fall 2015

3: Caleb had a top notch college transfer to Valdosta State University Blazers. The VSU Admission team and all departments were super. VSU has and is treating Caleb as if he is the most important college student in the USA. He had a flawless transition. I plan to meet with VSU Interim President Staton in person to share this good news so he can use it to encourage / spotlight (VSU-Hidden Treasure) for future Blazer transfers.

4: This makes two members from our home earning a 4.0 Gpa from South Georgia State College Entry Level Program on Valdosta State University Blazers Campus. I also earned a 4.0 Gpa Fall 2009- Fall 2010. This gives our family a total of 20 As earned from Your Team Dr Carson. WOW!

5: I am 100% convinced VSU will prove to be a super educational experience for Caleb. He has two family members who attended VSU and have shared with Caleb how magnificent VSU is.

6: Our son Joshua attended VSU his Freshman year earning 16 As and 1 B Fall 2011 Spring 2012. Joshua is a Lowndes County Vikings Class of 2011 honor graduate. Joshua transferred to UGA and graduated spring 2015 Cum laude. He is at UNC Chapel Hill for grad school. Joshua is off to a super start. Lowndes then VSU then UGA, now UNC Chapel Hill

7: I graduated from VSU Fall 2013 graduating with honors and 100% committed to helping increase VSU's recruiting, retention, and graduation rates. My wife and I are extremely happy with:

1: Lowndes County School Vikings System

2: South Georgia State College Hawks

3: Valdosta State University Blazers

8: I was so impressed with SGSC & VSU that I wrote a book for the world to take notice of a proven up to date success story at two higher educational institutions. See <http://www.amazon.com/dp/B00HNY8SAU> My goal and lifelong dream as stated on my January 2014 published book is to help VSU reach 14000 Blazers. This goal/dream/vision is alive and well. It will come to passed I have no doubts and 100% faith. I live everyday seeking/asking/pushing/advancing this cause, because our family has been and is better because of both SGSC & VSU awesome team.

9: As stated in my book about VSU:

“Where are you in your educational journey? Maybe you’re planning on going to college and excited and nervous about all the possibilities and challenges in your future. Maybe you’re not sure if college is for you. Or maybe, like John Isom when his college story began, you have been putting off higher education for years, and now you’re facing your fears and have no idea how to even get started tackling your courses.

In this book, you’ll read the inspiring story of how John’s five-year college journey changed his life, as well as advice and testimonies from college students of all ages and backgrounds. You’ll find practical tips for studying and keeping yourself on track as well as spiritual strengthening to lift you up when you feel the road ahead is too difficult. Most of all, this book will make you realize that no matter what obstacles lie in your way, U-CAN achieve amazing things and use your personal victory to pave the way for others.”

10: My website is capturing our family ongoing educational Journey at www.johntheucanman.com When ever people visit our family website (Over 50,000 to date) they will see a free personal family ad for SGSC & VSU. I want the entire world to know how great both colleges are. I also want attendance and graduation rates to increase for both.

PS; Dr Carson Caleb said he met you and you inspired him like you did me. Caleb came home and said “Dad I met President Carson today. She took time out of her busy schedule to share how excited she was about my academic performance. She also encouraged me to study hard” I was not surprised please, see what you told me #6 at <http://johntheucanman.com/files/108296001.pdf> Thanks again, U-Can!
