IN ORDER TO:

Be- My Major

Do- My Major

15 behaviors to help The U-Can! Man do my best while attending South Georgia College. I must test these 15 words of action in my lifestyle starting **17 August 2009**, until graduation. Once they have been proven to work by helping The U-Can! Man do extremely well and be a thriving College student, I will share with America 1st then the World.

I AM A ROARING TIGER!

HOUSE OF HOPE FIRST YEAR RESULTS, LETTER OF THANKS I SENT TO JESSICA YOUNG

Jessica Young's Word of Encouragement

Another person who believed in me from the very beginning, even knowing about my high school academic career, was my pastor's daughter, Sister Jessica Young, who also happens to be a teacher. Before attending college was a reality, when it was just a thought, she told me, "Rev. Isom, this time you will make A's and B's because you will be focused." This Word Of Encouragement (WOE) turned into a word of prophecy, and I was so proud to be able to share the following with Jessica in 2010:

Jessica, I wanted to share with you how God is helping me fulfill your word of encouragement so far in the U-Can! Man's young college career. Visit the U-Can! Shuttle at www.johntheucanman.com. In 2007 you said I would make A's and B's this time in college. I am attending college every day, walking by faith and believing it shall be even as you boldly told me. I start my second year on August 16, 2010, with your WOE in my heart and mind.

Here is an update for your encouragement to keep speaking LIFE into people's futures.

Thanks, Ms. Jessica Young, for being part of the U-Can! Man College Foundation. Your WOE deserves a WOW!

America U-CAN!
