U-CAN! Is a statement of belief to take note of daily, so you may consider in order to reach your vision. According to John Wallace Isom Jr., there is no “I” in TEAM (Together Everyone Achieves the Mission,) but there is leadership throughout the team. We win, the coach wins, and the team wins together because U-CAN! Isom is a motivational speaker and leader. Many who appreciate his U-CAN! have called upon his expertise! Spirit, and are looking to “move” their employees, students, and the like. Because, U-CAN! be successful, and be on a path, a path to success.

The golden rule of respect is to treat people as they should be treated, with respect, reiterates Isom. When you loose yourself in helping others, others will find themselves in a position to help you. Sometimes, it takes an outsider to bring fresh perspective and insight into an operation, especially if that someone has expertise in the particular field of endeavor. Be focused and stay focused, then asked yourself daily, are you focused advises Isom. Let’s get the U-CAN! message out there. Isom’s objective is to partner with Fortune 500 companies national and international in developing Focus Appreciation Motivation Programs. With a goal of helping the company make and save more money. Helping all team members become U-CAN! Attitude Believers.

Isom states that he has over 20 years of experience as a human resources/staffing manager for the United States Army. He has hands-on experience analyzing trends and training staff ranging from 10-100 personnel. He says that he motivates, organizes, supervises, and stimulates the daily activities of the staff focusing on leadership by “focused appreciation motivation.” He adds that he served as community advocate for 1600 human resource managers for Army Recruiting Command, and was selected without the seven month normal process to Recruit Chaplain for the US Army, assigned to a six state area including NY, NJ, MA, DE, CO, and RI.

Isom concludes, "By ourselves we either do good or bad; Together we either do good or bad; It is better to do good or bad together than by ourselves. Because together we have more minds, heads, hearts, and spirit. So I say to all of Jefferson County, let us all live each day with a U-CAN! attitude, telling ourselves first, then each other. If we do this success beyond our wildest dreams will happen. U-CAN!"
