Algebra Attack Plan (AAP) Learned from Mr. Ward : (ACD-7T- Plan)

1. Attend class everyday (be on time the first 5 minutes are crucial)
2. Copy every note Mr. Ward places on the board (they are your life-line)
3. Do all of your home-work assignments (they help you understand)
4. Take every quiz Mr. Ward gives (they are life-savers through-out the course)
5. Take every test Mr. Ward gives (a zero here could really hurt)
6. Take advantage of the Valdosta State Student Success Center (229-333-7570)
7. Take advantage of You-tube (this is a must, and will help make algebra clearer)
8. Take a positive ATTITUDE to class every day telling yourself I-CAN!
9. Take advantage of VSU Equal Opportunity Programs Multicultural Affairs (tutoring provided)
10. Take it from the U-Can! Man, If I-Can! U-Can!

Mr. Ward I have one request: Please provide your future students a copy of this example. I HOPE it will give them HOPE. Inspiring them to take advantage of the many resources provided.

Once again Mr. Ward thanks for providing outstanding Teaching.
