

## *Kyria "Shae" Sumbry*

### Class of 2014

The time is almost here for me to walk across the stage in front of friends and family to finally be presented with a piece of paper that means so much in this world, a diploma! Time has definitely flown by. I graduated high school in the year of 2010 from St. Anne Pacelli Catholic School in Columbus, Georgia. Currently, I am a college senior graduating in a few months. I am a Sociology Major. In May of 2014, I will be earning my Bachelors Degree of Arts. As a VSU Blazer I have had the pleasure of being apart of many Student Organizations. The Emerging Leader Program, which is for incoming Freshman, paved the way for the other organizations that helped me enjoy my college experience and network with so many people. I am an Orientation Leader and Vice President Delta Sigma Theta, Theta Tau Chapter. I am a member of the National Society of Leadership and Success as well as Alpha Kappa Delta which is the Honor Society for Sociology majors.

I can say I have had many wonderful experiences here at Valdosta State. The transition from high school to college was not an easy task, but joining organizations made my college involvement fun and full of memories. Just a few things I love about Valdosta State; it has the most beautiful college campus in Georgia. President McKinney and First Lady are very student

oriented and eager to hear the suggestions and criticisms of the students. Although a predominately female institution, the student body is really diverse. The newly represented Student Government Association seeks to be the voice and does a great job at doing so. Valdosta State has definitely had a great impact on my life and after I graduate I plan to continue my education here for my Masters.

Kyria Sumbry
