Valdosta State University Will Hire You On, It is not if but when they do let me know.

It was the 5th of December 2013 I around midnight at Wal-Mart. I was there shopping for some items preparing for my 7 December 2013 College Graduation. I was looking for the items an out of nowhere up appeared The U-Can! Man 10 year Coach who based on her super predictions about my future endeavors has proven to be 100% accurate is:

“U-Can! Inspiring -Encouraging, Empowering & Educating- Innovative Networker” “UI-EEE-IN” type Coach.

Coach Carla was busy as usual and took a few moments to see how my college career was going. I shared with her some more awards I had won and the cover of The U-Can! Man Empowerment Through Encouragement Shuttle (TUM-ETES) team located on www.johntheucanman.com 2nd book project: Graduating With Honors: If I-Can, U-Can!” <http://www.amazon.com/dp/B00HNY8SAU> Coach Carla was excited and very happy to see that once again her positive predictions about my project outcome was

me

100% plus correct. She was amazed and as usual bragging on her super company Wal-Mart. Coach Carla stated that she had just participated in some coaching by walking around training at Wal-Mart. Coach Carla said this is still one of the foundations of Wal-Mart leadership and associates. After about two minutes I thanked Coach Carla and said I was grateful for her awesome belief in me the past 10 years when I was faced with what seem to me to be HUGE obstacles and next to me seemly impossible tasked based on my past in the particular areas.

I was happy and ready to graduate two days from our meeting that night. As always our coaching-mentoring meetings last about 5 minutes if that long with her busy schedule and of course Coaching By Walking Around. As we departed Coach Carla asked me what's next after graduation, before I could get any words out to respond Coach Carla did Act#3, she started walking off and looking me in my eyes saying with that boldness I have come to expect "Valdosta State University will hire you on, let me know when they bring you on their amazing team. They will do this and for you this is just the start for The U-Can! Man, you will do GREAT things. Remember It is not if but when they hire you on their team let me know. By the way our son is a freshman at Valdosta State University and we are excited about his journey. I have to go and as usual Coach Carla walked off and left me standing in awe, wonder how she knew all these things. Before she turned the corner Coach Carla looked back at and said, You will do GREAT things at VSU, GREAT things", and she was off to the Coaching By Walking Around race.

This time unlike Act #1 and 2 I felt a sense of 110% belief I would be hired on at Valdosta State University and do GREAT things. Once VSU have 14000 Blazers by Fall Semester 2015 I can say it is one of the many GREAT things accomplished by way of my awesome Coach Carla believing in The U-Can! Man and Valdosta State University were one a path to achieving GREAT things.. I will have my Co-Author and 2008-Present Mandie Gossage edit Act#3 for our (TUM-ETES) and our upcoming 3rd book. More Importantly The U-Can! Man can read and reread Act#3 as I ATTACK! the Goal Coach Carla has determine for me. I am happy today on this March 18, 2014 special day for me. To date I have not been hired on at Valdosta State University, yet I believe Coach Carla prediction will happen. She said
