Husbands past present and future, Last night God reminded me about a prayer He answered for me in 1988, "Father God Please Bless Me With A Wife" God did that 1989 I met Karen Yvette Wilson of Lowndes County Georgia (Class of 88 Vikings to the core). That is what God did. That was enough to help me realize it was HIM that answered my prayer. Now some 25 years later I more than ever realize without Karen there is no The U-Can! Man and our 5 Children. Check out one of my salutes to here from 1997, <http://johntheucanman.com/files/39521355.pdf> then PLEASE check out the other two below. All I have is hers because God gave me the desire of my heart. If God has blessed you husbands, past present and future I hope my example will inspire and encourage you to see that with the Blessing God bless you with it is ENOUGH! My advice to Husbands lets us agree to (For Our Wives Sakes) DESIRE to Be-Know-Do-Obey Proverbs 5:15 Husbands.

I (The U-Can! Man) am the first to say Yes I accept the "DESIRE to Be-Know-Do-Obey Proverbs 5:15 Husband." If You Agree no need to publicly share just DO IT! For I know with God all things are possible.
