

**FIRST CLASS PRESENTATION REQUEST (#28) RECEIVED
MOMENTS AFTER COMPLETING SIDNEY BIVINS JR TRIBUTE
WEBPAGE 17 NOVEMBER 2014**

Hello Mr. Isom,

It does the spirit good to receive Lea's email regarding your fallen classmate Sidney Bivens. What you are doing is very commendable!

The irony, I would become an Instructor here at SGSC, VSU Entry-Program, to which both my daughter Le'Andria and Sidney Jr. attended. My granddaughter is Ke'Mani Sidney Bivens, his daughter.

I would be honored if you would visit my classes this week to encourage my students. If you can give 5-10 minutes of your time this would be greatly appreciated. We are currently reading Root and Branch, which discusses some of the landmark cases of segregation leading to the Brown v Board. I have tried to make the fight for equality of education relevant today; and, in the same vein make students realize how people fought for the education they seemingly take for granted.

You can also share your journey through the Entry Program here at SGSC to VSU.

Thank you for your consideration. I look forward to your earliest and most favorable response.

Regards,

LYNETTE M. HEPBURN, MPA
Instructor, VSU Entry Program
South Georgia State College
